FoSSP is a non-profit association that fosters and promotes traditional arts and supports the maintenance and use of Sacajawea State Park.

JOIN US ON a walk through history at the site where the Lewis and Clark Corps of Discovery camped over 200 years ago. This will be a great experience and a lot of fun. Please have your clothing and camp correct for the period 1750–1840. There will be NO shooting events, however, discharge of powder will be welcomed. All camps will be expected to display a living history theme. Blanket trading is allowed for those with primitive camps at no additional cost. No blanket trading allowed without a primitive camp.
