Who We Are

A non-profit group of like-minded people that want to ensure the existence of the park in our community into the future so all can enjoy it with friends and families.

Our Mission

*To Help, Teach, Promote
and Protect the Park*

What We Do

Some of the things we help with:

- Buy and donate new trees to replace old trees in the park
- Provide postcards for the interpretive center (the pictures on the postcards are of the park or events held at Sacajawea State Park)
- Spruce up the park
- Promote the park through events and throughout the community
